ARTWORK: We prefer artwork in Adobe Illustrator but can take it in most PC formats. We can even produce art from your sketch, logo or existing product.

ARTWORK ACCEPTANCE: All artwork must be approved and such approval must either be emailed, mailed or sent by fax and received prior to the commencement of work.

BACK STAMPS: We are able to put a custom logo, text or graphics on the back of each pin. Each die has a one-time charge of \$90(p) and, where possible, may be reused on subsequent orders.

SPLIT SHIPMENTS, DROP SHIPMENTS: Split shipments and drop shipments at different times or to different addresses incur \$15(p) additional charge per location exceeding one.

CLAIMS/RETURNS: All claims must be made within 14 days. Custom products are not refundable if made according to your approved specifications. Call for RMA prior to returning items.

CORRECTIONS AND CANCELLATIONS: These will incur a charge based on how much work has been completed. A cancellation charge quote will be made within 2 business days of request.

NEW ACCOUNT POLICY: First two orders need to be pre-paid. Credit card prepayments are authorized on date of order and charged on shipping.

CREDIT CARDS: We accept Visa, MasterCard, American Express and Discover credit cards for current accounts.

DIE AND TOOLING CHARGES: All prices listed include standard dies at no additional cost. Special dies such as 3-D or dies with inner cuts, sliding parts, blinking lights, etc., may incur tooling charges which will be quoted before order is accepted.

OVERRUNS: We strive to produce and ship quantities ordered. However, because of the nature of manufacturing custom-made products, slight underruns or overruns sometimes occur. We will consider all orders 5% of ordered quantity complete and will bill only for items shipped or ordered, whichever is lower.

PREPRODUCTION SAMPLES (PATCHES): All patch orders include a sewout image for approval. \$90.00(p) for emblem (Patches) sizes up to 3-1/2"; \$100(p) for emblem (Patches) sizes above 3-1/2" and up to 6". We will refund 50% of the sample charge when the actual order is confirmed.

PREPRODUCTION PROOFS/SPEC SAMPLE (PINS): Production samples are available for \$150(p). 50% of the cost is refunded and applied to production order on order of 1000 pins or higher with no changes to die.

PREPRODUCTION PROOFS/SPEC SAMPLE (COINS): Samples are available for \$250(p). 50% of the cost is refunded and applied to production orders. Production times on samples will be quoted prior to order placement.

PRICING: Prices quoted in pricelist are for typical designs and cover most products made. We will alert you immediately if your design is not standard and requires additional charges.

PRODUCTION TIMES: Pins and patches generally require 2-3 weeks production time. Round buttons require 1 week. All other items will be quoted prior to order placement.

RE-ORDERS: We store metal dies for two years.

RUSH ORDERS: 123 Emblems generally does not place a surcharge on rush orders if we can do it without disrupting our factory production lines.

SHIPPING: F.O.B. San Diego, CA. Shipping via UPS Ground or similar service is used unless specially requested. A small handling fee is charged.

SPECIAL PACKAGING: Gift boxes, mailers and custom packaging not available in our catalog may be available. Please call for additional items or prices.
